BioBoost Warranty Information

- The BioBoost media has a five-year warranty
- The rubber membrane diffusers integrated into the BioBoost media have a one-year warranty. If the bubble pattern looks weaker or different, it is advisable to replace them. They are very inexpensive, approximately \$25.00/diffuser and can be ordered through our company.
- Any auxiliary equipment used to run BioBoost (including but not limited to compressor, airline, etc.) has a warranty established by the manufacturer, typically lasting anywhere from 1-3 years.
